Those of us of a certain age grew up with the Sky King television show. The old black-and-white TV shows inspired a lot of aviation careers, from pilots and flight instructors to airline pilots to astronauts.

I had the personal pleasure of getting to know Kirby Grant and his wife when they retired to Central Florida in 1971.

I hope you will enjoy the story of the life and Legend of Kirby "Sky King" Grant, the TV hero of a generation of aviators, who found inspiration in the adventures of the flying cowboy who came "Out of the Blue of the Western Sky".
